

# September 2021 reception class intake allocation results

## Cronton Church of England Primary School (Academy)

The above-named school was oversubscribed for entry to reception class in September 2021 (i.e. the school received more requests for places than the number of places available to offer)

A total of 75 on-time applications that named the school were received

Preference 1 =37          Preference 2 = 21          Preference 3 =17

As a voluntary aided school, the governing body of the school are responsible for setting and applying the oversubscription criteria (or the 'admission policy') in order to determine which children can be offered places and who cannot.

The published admission number for the school is 30 – places were allocated as follows:

Oversubscription Criteria (Admission Policy) <sup>1</sup>	Number of places allocated
Children whose Education, Health and Care Plan names the school as provision	1
1. Children currently/previously in the care of the local authority.	1
2. Children of families resident in Cronton Village.	6
3. Children who have a sibling in the school at the time of admission.	8
4. Children of parents/carers who attend worship at Cronton CE Mission Church.	7
5. Children of parents/carers who attend worship at St Luke's Church, Farnworth; St Ambrose Widnes.	2
6. Children of parents/carers who attend worship at other Anglican Churches.	-
7. Children of parents/carers who attend worship of another Christian denomination.	-
8. Children on roll at Cronton CE school nursery at 30 September of the year before normal reception admission and throughout the allocation process.	5
9. Children living nearest to the school measured in a straight line.	-
Total	30

Children whose Education, Health and Care Plan (EHCP) names the school as provision are placed with priority, thus reducing the number of places available for allocation.

The last child to secure a place fell within criterion 8. The distance tie-break was applied to all applicants within this criterion and the last child to secure a place lived 0.894 miles from the school (as the crow flies).
